

Capping and Pinning Ceremony of BS Nursing Class 2014

On July 11 the Faculty of Nursing organized the “Capping and Pinning Ceremony” for the Bachelor of Nursing Class 2014. The ceremony was led by the Dean of the Faculty of Nursing, Associate Prof. Dr. Darunee Rujkorakarn together with Associate Professor Dr. Promjirt Hornbunherm, Deputy Dean for Student Affairs. A total of 107 BS Nursing students attended the ceremony where 2 of them received the “Dean’s Scholarship”. The ceremony was graced by an encouraging speech from the University President, Assistant Professor Dr. Supachai Sammappito.

“Capping and Pinning” ceremony is the beginning for the 3rd year students of BS Nursing for their training in the field Nursing . They will get the “hands-on ” training for nursing the child and adult, and mental health patients. This is the first step to get in the nursing profession. It is the stage where they will develop their confidence and trust to apply the knowledge they learned from their professors, providing nursing care to patient responsibly and adhere to the ethics of the profession. And it will show the pride and self-esteem of the students in their studies and practice under the supervision of their professors and professional nurses.

The ceremony was held at Kantarawichai Room and attended by the parents, 1st, 2nd and 4th year nursing student, faculty and staff of the Faculty of Nursing, Mahasarakham University.

Congratulations BS Nursing Class 2014!!!
